MOSAIC OF I-KIANG SHAN, CHINA

25X1A

At the request of [REDACTED] OCI, the latest and best available photography of I-Kiang Shan, China was procured and examined. Answering OCI's specific question, we reported that, as of the date of the photography, there was no airfield under construction, nor is there any feasible location for an airfield on this small island with its extremely rugged terrain.

A mosaic, measuring approximately 18"x18", was prepared and delivered to OCI.
